

Introduced by Senator Johnson

January 8, 2004

An act relating to water.

LEGISLATIVE COUNSEL'S DIGEST

SB 1089, as introduced, Johnson. State Water Pollution Control Revolving Fund.

Existing law continuously appropriates state and federal funds in the State Water Pollution Control Revolving Fund for the construction of publicly owned treatment works by a municipality, the implementation of a management program, the development and implementation of a conservation and management plan, and other related purposes in accordance with the federal Clean Water Act and the Porter-Cologne Water Quality Control Act.

This bill would state that it is the intent of the Legislature that the State Water Resources Control Board, for the purposes of administering that fund, give preference, to the maximum extent possible, to capital improvement projects that are undertaken by a municipality that is subject to an administrative compliance order relating to its sanitary sewer collection system.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature that the State
- 2 Water Resources Control Board, for the purposes of administering
- 3 the State Water Pollution Control Revolving Fund, give
- 4 preference, to the maximum extent possible, to capital

- 1 improvement projects that are undertaken by a municipality that
- 2 is subject to an administrative compliance order relating to its
- 3 sanitary sewer collection system.
